Course Catalog

Real Life Personal Finance (RLPF) College & University Edition

Description

RLPF is a blended, online, one-semester, financial literacy course. It is created for the university or community college student selecting careers, majors, and funding postsecondary education.

The course integrates financial, career, postsecondary education planning and reality-based math, with critical thinking, problem solving, teamwork, and project development. For quantity and multi-year licenses, contact Kenneth Decker.
