## Course Catalog

PEIMS: 03380082 - ***Real Life Personal Finance (RLPF)  
Independent Study Edition for Homeschool Students***

### **Description**

***RLPF*** is a blended, online, one-semester, financial literacy course. It is designed for the homeschool students desiring a quality, challenging credited Texas course.

The course integrates financial, career, postsecondary education planning and reality-based math, with critical thinking, problem solving, teamwork, and project development. Contact Kenneth Decker for any questions.

### **License Pricing**

Student License - ISBN: 9780999747704

\$100 per student for one-semester blended license

Instructor License - ISBN: 9780999747735

\$200 per instructor, if license is required.
