Course Catalog

Real Life Personal Finance (RLPF) Classroom Edition – Private Schools

Description

RLPF is a blended, online, one-semester, financial literacy course with a ½ social studies credit. The course is a college readiness course designed to help all students prepare for postsecondary education and life.

The course integrates financial, career, postsecondary education planning and reality-based math, with critical thinking, problem solving, teamwork, and project development. For quantity and multi-year licenses, contact Kenneth Decker.
